

PLEASE SAVE THE DATE FOR GRAND ROUNDS

Wednesday, Oct. 15, 2014
12:30 – 1:30 p.m., EEC 3 & 4

TOPIC: **“Stevens-Johnson Syndrome & Toxic Epidermal Necrolysis”**

Target Audience

The presentational methods for this activity will be Case Presentation with Learner Participation, Panel Discussion, and Q&A Session. The activity content is geared toward Primary Care and ER Physicians, Internists, and Hospitalists, but all physician specialties are welcome.

This activity will encompass the following desirable physician attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Practice-Based Learning & Improvement, and Systems-Based Practice.

Desired Outcomes:

1. Diagnose SJS/TEN and identify offending agents
2. Recognize rapid progression of disease severity early
3. Manage patients with SJS/TEN appropriately
4. Refer patients appropriately and timely
5. Identify patients that may be at risk for severe cutaneous manifestations, such as HIV patients and those of lower socioeconomic status

Accreditation:

St. Jude Medical Center is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

St. Jude Medical Center designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

In accordance with the American Disabilities Act (ADA) please contact the Medical Staff Office at (714) 446-5753 should you require special assistance.
