

Medical Staff CME Calendar

All CME Activities are held in the Erickson Education Center
12:00 pm Lunch is Served *** Presentation begins at 12:30 pm

October 22, 2013

Topic: ***“Universal Decolonization”***

This activity is geared toward Hospitalists, Intensivists, and Surgeons, but all physician specialties are welcome to attend.

The format will be Lecture, Case Presentation and Interactive Q&A Session.

This activity will encompass the following desirable physician attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Interpersonal & Communication Skills, Practice-Based Learning & Improvement, and Systems-Based Practice.

Faculty: *Dr. Susan S. Huang, M.D., MPH*

Associate Professor and Medical Director of Epidemiology and Infection Prevention Division of Infectious Diseases and Health Policy Research Institute, University of California Irvine School of Medicine

Desired Outcomes:

1. Outline the problem and frequency of multi-drug resistant bacteria in the hospital setting
2. Describe the value of decolonization strategies to reduce the burden of multi-drug resistant bacteria
3. Summarize a recent major clinical trial demonstrating the success of decolonization therapy in ICU patients
4. Describe key implementation issues related to skin decolonization
5. Order decolonization procedure for patients appropriately
6. Address community fears and assumptions by counseling and educating patients effectively

Accreditation Statement

St. Jude Medical Center is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.
