

PLEASE SAVE THE DATE FOR GRAND ROUNDS

Wednesday, Feb. 4, 2015
12:30 – 2 p.m., EEC 6

TOPIC:

**“An interesting Cause of Cyanosis
in the ED–Solve the Case”**

Moderator:

Kristine Koh, M.D.
Emergency Medicine
St. Jude Medical Center

Faculty & Expert:

Sanjay Sharma, M.D.
Hematology/Oncology
St. Jude Medical Center

Target Audience

The presentational methods for this activity will be Case Presentation with Learner Participation, Lecture, and Q&A Session. The activity content is geared toward Primary Care and ER Physicians, but all physician specialties, nurses and other healthcare providers are invited to attend. **Lunch will be served.**

This activity will encompass the following desirable physician attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism and Practice-Based Learning & Improvement.

Desired Outcomes:

1. Recognize signs and symptoms of cyanotic problems early.
2. Diagnose, test, and treat cyanotic problems effectively.
3. Monitor and care for patients closely, in order to avoid possible complications.
4. Communicate effectively with the patient and/or family about the disease and the available treatment options, taking into consideration their health literacy level and possible language barriers.

Accreditation:

St. Jude Medical Center is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

St. Jude Medical Center designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

In accordance with the American Disabilities Act (ADA) please contact the Medical Staff Office at (714) 446-5753 should you require special assistance.
