

# St Jude PL Notification

## Physicians Documentation: March

**QUESTIONS:** Call Greg #5151/ Mel #5162

	Date	Dept.	CHANGES	CONCERN ADDRESSED
			Physician Documentation	
1	3/10/15	Nephrology	A new Dialysis Note will be available.	Dialysis is currently addressed in the Nephrology Progress Note Template. A request was made from physician for a separate Dialysis Note.
2	3/10/15	ALL	The Copy and Paste functionality is now available when viewing reports in the EMR.	This will save time for physicians who want to copy and paste from an existing report to a new report i.e. Imaging Report.
3	3/10/15	Gynecology	The GYN Operative Note 1 has been optimized-group response elements have been modified for four queries	This was requested by OB/GYN physicians.
4	3/10/15	OB/GYN	Discharge medications list will be added to the OB Vag & OB C/S DC summaries.	All DC summaries should have discharge medication list components.
5	3/12/15	Hospitalist	The Hospitalist Progress Note VI is available as an additional option for use.	Hospitalists representing all ministries collaborated to optimize

\* Note: highlighted in red are changes that will impact physician flow.
