EBSCO DISCOVERY SINGLE SEARCH SERVICE

journal articles - literature search - research

What is EBSCO Discovery Service?

EBSCO Discovery is a **Single Search Service** that allows for a fast, streamlined search and instant access to full-text of research, evidence based practice (EBP), journal articles, disease information, diagnosis, treatment, etc. Discovery searches St. Jude Library's e-books, electronic journals and library catalog.

How to access EBSCO Discovery Service?

Access at work:

- Go to **CARENet**
- Select **Education** tab
- Scroll down to **Medical Library**
- Search under the **Electronic Library Resources**
- Click on **EBSCO Discovery**
- **Login= stjudelib, Password= library**
- Enter your search in "search box" OR search our A to Z list for specific journal titles.

For more information, contact Carol Schechter,
Medical Librarian at 714-992-3000 ext. 3708 or
carol.schechter@stjoe.org

Access from home:

- Open your internet browser, enter this URL in the address toolbar
<http://search.ebscohost.com/login.aspx?authtype=uid&group=main&profile=eds&custid=s2629082>
- **Login= stjudelib, Password= library**
- Enter your search in search box OR search our A to Z list for specific journal titles.
