

3rd ANNUAL STROKE SYMPOSIUM 2015

St. Jude Medical Center presents its third annual Stroke Symposium to review the practical, clinical aspects of stroke prevention, diagnosis and treatment. The program will cover stroke risk factors, diagnostic testing, and medical and interventional therapy.

Target Audience:

The activity is geared toward Primary Care Physicians, Intensivists, Hospitalists, Emergency Medicine Physicians and Neurologists. The presentational methods for this activity will be case presentation with learner participation, lecture and interactive Q&A session. Open to Nurses, EMS, paramedics, and those who care for stroke patients. This activity will encompass the following desirable physician attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, Interpersonal and Communication Skills, Practice-Based Knowledge and Improvement, and System-Based Practice.

Desired Outcomes:

- Cite the recent advances in stroke care
- Recognize the updates in stroke care at St. Jude Medical Center including latest clinical trials
- Manage elderly stroke patients timely and refer to long-care facilities when appropriate
- Avoid missing subtypes of strokes by diagnosing timely and appropriately
- Navigate language barriers and communicate effectively to perform a thorough history
- Identify patients who are at an increased risk of stroke and counsel them about prevention

Accreditation:

St. Jude Medical Center is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

St. Jude Medical Center designates this live activity for a maximum of **3.5 AMA PRA Category I Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

Continuing Education Credits:

Provider approved by the California Board of Registered Nursing, Provider Number, 00407. 4.0 contact hours will be given for this course. Administrator for the CE program is Claudia Skinner, DNP, RN, CCRN, CNML, NE-BC
